The **Colossal Profits Postal Subscriber File** reaches an active and aggressive audience of stock traders who are in direct control of their own self directed funds. They have turned to **Colossal Profits'** E-newsletter and video training courses to expand their knowledge, sharpen their skills, and improve their profits in day trading.

The web site, www.ColossalProfits.com, provides information on day trading and offers a subscription to the newsletter as well as more information on the DVD video training courses. Specific attention is given to interpreting and decision making based on Level II data, which can provide enormous insight into a stock's price action. Level II tells investors what type of traders are buying or selling a stock, where the stock is likely to head in the near term, and much more.

Information on NASDAQ Level II trading can be viewed at:
<http://colossalprofits.com/level-2-trading.html>

Buyers of **Colossal Profits** video training series spend anywhere from \$39 to \$3,000 on the DVD courses. The course provides all the information needed to interpret and utilize Level II information to optimize their day trading activities.

The **Colossal Profits Postal Subscriber File** reaches a consummate audience of highly active traders who are purchasing tools, systems, information, subscriptions, services, and techniques to enhance their profits and protect them from losses. They are highly receptive to a wide range of financial and investment offers.
