Titan Stock Alerts Postal File

High Risk Investors with an Interest in Penny Stocks

MetaResponse Group®
DIRECT & ONLINE MARKETING SOLUTIONS

First Time Available!

294,118 Subscribers \$150/M (*)

The **Titan Stock Alerts Postal File** reaches high-risk takers because the penny stocks they trade are speculative and there is always a possibility they may lose their entire investment. These investors are looking for rapid growth with very little investment and are willing to make risky decisions in order to potentially make a very large profit. Many of these risk-takers do their own investing without the help of brokers or financial advisors. This makes them good prospects for a variety of offers, as they are willing to invest their time and money in many business ventures and endeavors.

Investors visit <http://www.titanstockalerts.com> which offers a sign-up to receive free newsletters and reports on penny stocks. They are tech-savvy, self-directed and look for concise and fact-based reports of their prospective investment strategies. These are investment-minded individuals searching for the next explosive small cap stock to hit Wall Street, whether its one that the mainstream media has forgotten or the next up and comer to hit the market.

Investors on this list are very receptive to financial offers and information. *These are active high risk, speculative investors and traders who enjoy the volatility, action and profit potential of penny stocks.*

These investors typically trade in penny stocks on the OTC exchanges and like the market action. Their investments may also include micro cap stocks, IPOs and an occasional international stock. The list is comprised of individuals who want to make fortunes from explosive penny stock investments and reaches an audience of information hungry stock traders who are focused on penny stocks and micro caps.

The **Titan Stock Alerts Postal File** reaches active stock traders who are serious about making profits with penny stocks. As active traders, they are on the constant search for breaking news, information, research, analysis, and market trends that will help them secure returns on their investments in penny stocks and emerging small caps. They are responsive to a wide range of quality investment, home office, and consumer offers.
