

Forex Impact Investor Email Masterfile

*Aggressive Investors with an Investment Focus in
the Foreign Exchange Markets*

New List – First Time Available!

84,771 Forex Investors \$115/M^(*)

The **Forex Impact Investor Email Masterfile** reaches an audience of aggressive investors who share a common interest in the foreign exchange market. They have turned to the videos, information, and systems offered at www.ForexImpact.com to protect their wealth and optimize their profits from forex trades.

Reaching active traders, Forex Impact provides investors with free end of day market recap videos which demonstrates the returns from Forex Impact’s technical trading system. The free video offers opportunities to subscribe/buy into the system, so investors can use the system as a decision support tool during trading hours.

To reach the full spectrum of forex traders, Forex Impact encompasses additional forex-centric investment platforms, including:

- Forex Profit Alert
- Forex Profit Formula
- The Triad Trading System
- Delphi Trading System
- mPowerFX.com

Each platform caters to a slightly different type of forex trader, with prices ranging from a monthly subscription of \$200/month to up-front software purchases of \$2,000. Buyers are active day traders, who earn their living and household income using advanced systems and tools to optimize the returns from their self-directed funds.

The **Forex Impact Investor Email Masterfile** reaches an affluent consumer audience of investors who are constantly buying products and services that will support their trading activities and upscale lifestyles. They are receptive to a wide range of investment, investor relations, home office, and upscale consumer offers.
