The **Stock Market Profits - Harry Walker** file is comprised of active stock investors who have purchased a combination report, video and yearly newsletter subscription to help investors harness simple methods that take advantage of a stock's rapid price flux.

The investment advice in **Stock Market Profits** follows the methods of *Harry Walker*. Harry is well known for his "bouncing stocks" method. With this investment method, it doesn't matter if the overall market trends are up or down. Instead, this method zeroes in and identifies specific stocks that will yield zigzag price changes, which can be used to generate huge profits -- *fast*.

Individuals who purchase the *Stock Market Profits* system are active investors who are looking to cash in on the wild stock price swings that are evident in today's markets. They have all spent \$149 with a major credit card to obtain a copy of *Harry Walker's* reports, videotapes, and yearly newsletter subscription.

The **Stock Market Profits - Harry Walker** file targets investors who are executing a high frequency of trades on 'bouncing stocks' as identified by Harry Walker's methods. As active investors, they demand information, products, and services that will help them manage and maximize their investment profits.

*They are receptive to a wide range of financial, technology, and SOHO direct mail offers.*
